

Our Mission is . . .

To bring **Glory to God** by showing forth the *faithfulness* and *power* He gives to those who carry out the Words of His Son Jesus Christ and in so doing provide *evidence* for others to believe and put their trust in the living God.

Our Vision is . . .

To become a biblically functioning community by structuring church life around the development of small groups (cells) so that meaningful and caring relationships can take place and thus create an atmosphere where God's Word can be practiced.

To allocate church resources around the equipping and training of small group leaders providing them the very best in knowledge, understanding, and encouragement.

To experience God in regular settings of corporate worship through relevant and lively forms of worship that allow for the operation of spiritual gifts and preaching of God's Word where people are encouraged in their faith and guided in its application.
