

Our Mission is . . .

To bring **Glory to God** by showing forth the *faithfulness* and *power* He gives to those who carry out the Words of His Son Jesus Christ and in so doing provide *evidence* for others to believe and put their trust in the living God.

Our Vision is . . .

To become a biblically functioning community by structuring church life around the development of small groups (cells) so that meaningful and caring relationships can take place and thus create an atmosphere where God's Word can be practiced.

To allocate church resources around the equipping and training of small group leaders providing them with the very best in knowledge, understanding, and encouragement.

To experience God in regular settings of corporate worship through relevant and lively forms of worship that allow for the operation of spiritual gifts and the preaching of God's Word where people are encouraged in their faith and guided in its application.

ANNOUNCEMENTS

Celebration Service - Pastor McCowan (Baptism in Mud)

Water Baptism is a humbling experience as it takes us out of our comfort zone. We are asked to stand before many people and give a witness to our faith. We are then dunked into water where we are completely wet. Then we walk away in front of everyone all dripping with water from head to toe. But how can repentance be anything but take us out of our comfort zone.

Share Your Testimony

Testimonies are very powerful. They have the power to inspire, encourage, and build faith to believe God when things seem hopeless. So, if you have a testimony of God's faithfulness and love, please feel free to let us know as we may want you to share your story to the congregation. Don't be shy, your testimony will encourage everyone and could very well be a godsend to someone in need.

PopOut Challenge

Did you know that one-third of the world's children struggle with inadequate food and drinking water-let alone having the luxury of soda pop to drink? The national BGMC office is challenging kids to give up soda pop (or something else) during the month of November.

The money that would have been spent on soda pop (or candy or snacks) would then be given to BGMC, which helps needy children around the world. The children have received their PopOut challenge form to keep track of pledges from family members, neighbors, etc. We will collect all monies raised at our last celebration service in November. Thank you for helping children in need all over the world.

Advent Kids Program

Our Kids Church will be doing the handbell song, "Angels We Have Heard On High" and Kinderchurch will be performing the song, "Mary Had A Baby" as well on December 17th. Afterwards, after worship, we will be having our Happy Birthday Jesus Party.
