

## **Our Mission is ...**

To bring Glory to God by showing forth the faithfulness and power He gives to those who carry out the Words of His Son Jesus Christ and in so doing provide evidence for others to believe and put their trust in the living God.

## **Our Vision is ...**

- To become a biblically functioning community by structuring church life around the development of small groups (cells) so that meaningful and caring relationships can take place and thus create an atmosphere where God's Word can be practiced.
- To allocate church resources around the equipping and training of small group leaders providing them with the very best in knowledge, understanding, and encouragement.
- To experience God in regular settings of corporate worship through relevant and lively forms of worship that allow for the operation of spiritual gifts and the preaching of God's Word where people are encouraged in their faith and guided in its application.

### Tonight's Sermon – "The Divine Council" by Pastor McCowan

The Bible is a book that is primarily about the creation, fall, and redemption of man. However, from time-to-time, we get a glimpse behind the scenes and of God relates and interacts with His other created beings the angels. Tonight, Pastor McCowan will take us on a little journey through the Bible so that the sons of Adam and the daughters of Eve may come to understand why we were created and the purpose to which we are called.
