

## **Our Mission is ...**

To bring Glory to God by showing forth the faithfulness and power He gives to those who carry out the Words of His Son Jesus Christ and in so doing provide evidence for others to believe and put their trust in the living God.

## **Our Vision is ...**

- To become a biblically functioning community by structuring church life around the development of small groups (cells) so that meaningful and caring relationships can take place and thus create an atmosphere where God's Word can be practiced.
- To allocate church resources around the equipping and training of small group leaders providing them with the very best in knowledge, understanding, and encouragement.
- To experience God in regular settings of corporate worship through relevant and lively forms of worship that allow for the operation of spiritual gifts and the preaching of God's Word where people are encouraged in their faith and guided in its application.
