

## **Our Mission is . . .**

To bring Glory to God by showing forth the faithfulness and power He gives to those who carry out the Words of His Son Jesus Christ and in so doing provide evidence for others to believe and put their trust in the living God.

## **Our Vision is . . .**

- To become a biblically functioning community by structuring church life around the development of small groups (cells) so that meaningful and caring relationships can take place and thus create an atmosphere where God's Word can be practiced.
- To allocate church resources around the equipping and training of small group leaders providing them with the very best in knowledge, understanding, and encouragement.
- To experience God in regular settings of corporate worship through relevant and lively forms of worship that allow for the operation of spiritual gifts and the preaching of God's Word where people are encouraged in their faith and guided in its application.

Before the service we will again have a Pizza Dinner and during the movie popcorn will be served as well. Bring a guest and enjoy what will surely be a very thought provoking presentation.

### Attention all Ekklesia Kids: Fall Family Fun Night

On October 26th we will be featuring the VeggieTales movie "McLary and the Stinky Cheese Battle" a lesson in getting along with others. They will be an inflatable castle set up between 4:30 and 6:00 and corn hole games. At 6:00 we'll have a potluck dinner where you can bring chili or any fall dish to share. A sign-up sheet is at our information table.

### Missionary Update

From Lewis and Claudia Johnson- Global Teen Challenge Turkey. They are finally getting settled in to their new home and learning not to drink the water and how to order water bottles and pizza. The water bottles have to be ordered by phone. You listen to the Turkish and after they finish talking you press the number 2 and they got the water about an hour later. The first time they ordered pizza it never came, so the next evening Lewis tried to order in Uzbek figuring it would work better and it worked.
