

Our Mission is . . .

To bring Glory to God by showing forth the faithfulness and power He gives to those who carry out the Words of His Son Jesus Christ and in so doing provide evidence for others to believe and put their trust in the living God.

Our Vision is . . .

- To become a biblically functioning community by structuring church life around the development of small groups (cells) so that meaningful and caring relationships can take place and thus create an atmosphere where God's Word can be practiced.
- To allocate church resources around the equipping and training of small group leaders providing them with the very best in knowledge, understanding, and encouragement.
- To experience God in regular settings of corporate worship through relevant and lively forms of worship that allow for the operation of spiritual gifts and the preaching of God's Word where people are encouraged in their faith and guided in its application.

ANNOUNCEMENTS

Tonight's Sermon – Pastor McCowan

Many of us know that when you're sick, the nastier the medicine tastes the better it is for you. In fact, it is recorded in the book of Jeremiah, that sin became so bad in Israel that God had to give the people a very "bitter pill." Even the sweet smelling miracle ointment the "balm of Gilead," was of no use. In the same way, God today often gives His people medicine that doesn't always taste so good. However, He does this not to make us miserable, but to help us to consider our ways, so that we can grow, be blessed, and make our calling and election sure. The title of tonight's sermon is "Bad Medicine for the Soul."

Financial Counseling

During the weekend of September 7th, Paul McCready of Counsel Wealth Management will be offering to interested parties, his evaluation of current opportunities for investors. If you would like to meet with Paul, please see Pastor McCowan.

Attention Ekklesia Kids!

We have the opportunity to purchase Ringling Brothers and Barnum and Bailey Circus tickets at a 20% discount thanks to Jamie McCowan. For those interested in going we have a sign-up sheet at the information table. We're looking at going Friday night, Sept. 6th at 7:00.

Night at the Movies

At our Celebration Service on September 21st, we will be viewing a great new video on the debate between Darwinism (Evolution) and Creationism. It is narrated by Ray Comfort and is very well done. Before the service we will again have a Pizza Dinner and during the movie popcorn will be served as well. Bring a guest and enjoy in what will surely be a very thought provoking presentation.
