

Our Mission is ...

To bring Glory to God by showing forth the faithfulness and power He gives to those who carry out the Words of His Son Jesus Christ and in so doing provide evidence for others to believe and put their trust in the living God.

Our Vision is ...

- To become a biblically functioning community by structuring church life around the development of small groups (cells) so that meaningful and caring relationships can take place and thus create an atmosphere where God's Word can be practiced.
- To allocate church resources around the equipping and training of small group leaders providing them with the very best in knowledge, understanding, and encouragement.
- To experience God in regular settings of corporate worship through relevant and lively forms of worship that allow for the operation of spiritual gifts and the preaching of God's Word where people are encouraged in their faith and guided in its application.

ANNOUNCEMENTS

Sermon – Sally McCowan

Tonight Sally McCowan will be sharing a message entitled, “Finding our “Island of Stability” in an ever-changing World. From his book, “Future Shock”, author Alvin Tofler wrote that when people go through times of rapid change, they need what he calls “islands of stability”.

They are those things that do not change in your life-sources of security, safe harbors and anchors for the inevitable storms.

Tonight, we’ll take a look at some of the changes in history that have impacted people today and where we can find those islands of stability.
