

Our Mission is ...

To bring Glory to God by showing forth the faithfulness and power He gives to those who carry out the Words of His Son Jesus Christ and in so doing provide evidence for others to believe and put their trust in the living God.

Our Vision is ...

- To become a biblically functioning community by structuring church life around the development of small groups (cells) so that meaningful and caring relationships can take place and thus create an atmosphere where God's Word can be practiced.
- To allocate church resources around the equipping and training of small group leaders providing them with the very best in knowledge, understanding, and encouragement.
- To experience God in regular settings of corporate worship through relevant and lively forms of worship that allow for the operation of spiritual gifts and the preaching of God's Word where people are encouraged in their faith and guided in its application.

ANNOUNCEMENTS

Sermon – Pastor McCowan

Tonight Pastor McCowan will continue his topic on False Prophets and share how we as Christians can make ourselves less susceptible to their smooth talk and flattery.

The key, according to Pastor McCowan, is found in the Greek word *epignosis*, which is translated in our Bibles as knowledge, or full and complete understanding. However, the means in which to obtain this knowledge might surprise you.

The title to tonight’s sermon is *Epignosis: the cure for deception in the last days*.

Special thanks:

We would like to extend a special thank you to all the people from both Ekklesia and Highpoint who helped with setup, serving food, cooking and cleanup for our Family Fun Night last weekend. Your help was greatly appreciated and made this event so successful! Thank you again for being servants and a blessing to all!

BGMC

Our next BGMC Day will be August 2nd so keep looking for those coins. We will have a bake sale that night called “Cookies for Christ”. All those interested can bring baked cookies for our sale and all proceeds will go to BGMC to help children all around the world.
