

Our Vision & Purpose is . . .

To bring Glory to God by showing forth the faithfulness and power He gives to those who carry out the Words of His Son Jesus Christ and in so doing provide evidence for others to believe and put their trust in the living God.

Our Mission is . . .

- To become a biblically functioning community by structuring church life around the development of small groups (cells) so that meaningful and caring relationships can take place and thus create an atmosphere where God's Word can be practiced.
- To allocate church resources around the equipping and training of small group leaders providing them with the very best in knowledge, understanding, and encouragement.
- To experience God in regular settings of corporate worship through relevant and lively forms of worship that allow for the operation of spiritual gifts and the preaching of God's Word where people are encouraged in their faith and guided in its application.

Sermon – Pastor McCowan

Justin Bieber is a talented young man, but he's been known to get into a few scrapes with the law or media. Yet, he's not a fellow without some guiding principles -- principles that have been instilled in him with help from his mother and his manager. So what gives? Why have his guiding principles on occasion failed him?

Pennies for Christ

Wow! What a response we had this week from Kids Church! The pennies are pouring in with the boys taking a strong lead in our penny collections for BGMC. This week's total was \$5.42. We have started strong towards our goal of \$50 for missions. The children will be collecting pennies until we reach our goal of \$50 and we would appreciate any support you may want to give us. A designated bucket will be near the front door to drop your pennies in or we will gladly convert them for you. As we learned in Kids Church last week no amount is too small that even Jesus recognized that the "widow gave all!"

Testimonies are very powerful.

They have the power to inspire, encourage, and build faith to believe God when things seem hopeless. So, if you have a testimony of God's faithfulness and love, please feel free to let us know, as we may want you to share your story to the congregation. Don't be shy, your testimony will encourage everyone and could very well be a godsend to someone in need.
