

Our Vision & Purpose is . . .

To bring Glory to God by showing forth the faithfulness and power He gives to those who carry out the Words of His Son Jesus Christ and in so doing provide evidence for others to believe and put their trust in the living God.

Our Mission & Strategic Area of Focus is . . .

- To become a biblically functioning community by structuring church life around the development of small groups (cells) so that meaningful and caring relationships can take place and thus create an atmosphere where God's Word can be practiced.
- To allocate church resources around the equipping and training of small group leaders providing them with the very best in knowledge, understanding, and encouragement.
- To experience God in regular settings of corporate worship through relevant and lively forms of worship that allow for the operation of spiritual gifts and the preaching of God's Word where people are encouraged in their faith and guided in its application.

ANNOUNCEMENTS

Sermon – The Message that Endures (Pastor McCowan)

While God's message to the world is timeless and enduring, people now send text messages that disappear after viewing. For example, the Snapchat app ensures that your note will self-destruct. What makes your message totally anonymous. These days you can send a message that's temporary, ambiguous and totally untraceable. Thankfully, God wants nothing to do with it.

Resurrection Party

Tonight, the Kinderchurch and Kids church kids will have a Resurrection Party celebrating the death, burial and resurrection of our Lord and Savior Jesus Christ immediately following worship.

"He is not here, for he has risen, as he said. Come, see the place where he lay."
Matthew 28:6

Church-wide Progressive Dinner:

On Saturday, April 25th, we will be having a church-wide Progressive Dinner. While more specifics will be following, a progressive dinner or safari supper is basically a dinner party with successive courses prepared and eaten at the residences of different hosts. Usually this involves the consumption of one course at each location. Involving travel, it is a variant on a potluck dinner. The purpose of this event will not only be for fellowship, but an event for us to invite a friend(s) to our church.

PROGRESSIVE DINNER

Like Drive-Thru, but not really!
