

Our Vision & Purpose is . . .

To bring Glory to God by showing forth the faithfulness and power He gives to those who carry out the Words of His Son Jesus Christ and in so doing provide evidence for others to believe and put their trust in the living God.

Our Mission & Strategic Area of Focus is . . .

- To become a biblically functioning community by structuring church life around the development of small groups (cells) so that meaningful and caring relationships can take place and thus create an atmosphere where God's Word can be practiced.
- To allocate church resources around the equipping and training of small group leaders providing them with the very best in knowledge, understanding, and encouragement.
- To experience God in regular settings of corporate worship through relevant and lively forms of worship that allow for the operation of spiritual gifts and the preaching of God's Word where people are encouraged in their faith and guided in its application.

ANNOUNCEMENTS

Pastor McCowan will share tonight, "The Hyperloop Path"

Pastor McCowan's sermon tonight is called "The Hyperloop Path." It comes from the new technology that is now being tested in California where one day we may be able to travel from Los Angeles to San Francisco in about 30 Minutes. Pastor McCowan's text will come from Hebrews 12:1-2, where we are admonished to keep our eyes on Jesus.

Jamie McCowan will also share in the responsibilities of tonight's sermon and will share from Psalm 23.

Special Outing

On Saturday June 25th, we will be going to McConnell Springs and our tour will include a program on the history of the Bluegrass area including the significance of McConnell Springs. This is a free tour and all that is needed are a pair of good walking shoes if you want to hike their trail and a sack dinner where we'll eat at their covered picnic tables.
