

Our Vision & Purpose is . . .

To bring Glory to God by showing forth the faithfulness and power He gives to those who carry out the Words of His Son Jesus Christ and in so doing provide evidence for others to believe and put their trust in the living God.

Our Mission & Strategic Area of Focus is . . .

- To become a biblically functioning community by structuring church life around the development of small groups (cells) so that meaningful and caring relationships can take place and thus create an atmosphere where God's Word can be practiced.
- To allocate church resources around the equipping and training of small group leaders providing them with the very best in knowledge, understanding, and encouragement.
- To experience God in regular settings of corporate worship through relevant and lively forms of worship that allow for the operation of spiritual gifts and the preaching of God's Word where people are encouraged in their faith and guided in its application.

ANNOUNCEMENTS

Pastor McCowan will share tonight, "The Key!"

A misleading headline asserts that tennis star Serena Williams has a "secret weapon," and that the weapon is "Jehovah God." No, Williams' weapons are a crushing serve and a wicked forehand. The headline, however, can lead us to reach assumptions that aren't true. Can we really make God do what we want?

Special Guests

Our special guest tonight is Bishop Armstrong Cheggeh, who will share highlights of his soon to be published book, "Leaving Behind a Righteous Legacy."

Dr. Cheggeh has pastored and ministered for over 38 years with a passion to reach out to the nations.

Home Cell Group Ministry

Our home cell group ministry is at the heart of our church. It is where we seek to "flesh out" our faith so we can be the church and true disciples of Jesus Christ—carrying out His word.

At this time, we have three home cell groups. Both our Men's and Women's Groups meet on Wednesday evenings and our multi-generational group meets on Sunday evenings.

- Currently our Men's group is viewing the video series called **Recovery Road**. The premise of this series by Andy Stanley is that we can change the direction of our country by fixing ourselves first.
- Our Women's group, is doing a Bible Study on **War Room: Prayer is a Powerful Weapon**.
- Our Multi-generational group is viewing the video series from Larry Osborne called **Thriving in Babylon**. In this 5-session series, Larry Osborne introduces us to a man forced to live in a fast-changing and godless society. This man faced fears about the future, concern for his safety, and the discouragement of a world that seemed to be falling apart at warp speed. That man was Daniel, and with the power of hope, humility, and wisdom, he not only survived, but thrived.
